## -Continuation Sheet (PTOL-303)

Continuation of 2. NOTE: the limitation added to instant independent claim 1, is new and has not previously been considered...

Continuation of 5. does NOT place the application in condition for allowance because: a) the 35 USC 103 rejections are maintained for reasons of record in the Office Action mailed 7/15/03, Paper No. 8; b) Applicant's arguments are not persuasive because the arguments are directed toward Applicant's amendment to claim 1, which is not being entered. Thus, these arguments are moot. Applicant argues against the 35 USC 112 rejection. However, these arguments are not persuasive, as "characterized by" is not a positive recitation. Thus it is not clear whether or not the water actually has the properties recited. The Examiner respectfully directs Applicant to the previous Office Action, wherein the Examiner suggested a means of overcoming this rejection..
